

## ToolBank USA Announces 2012 Leadership Team

### *New Officers Guiding Growth of National Nonprofit Movement*

**ATLANTA** (January 17, 2012) – [ToolBank USA](#) today announced its newly elected officers for 2012. The board and its officers are the guiding strategic force behind the governance and development of ToolBank USA, which enhances the efficiency and success of nonprofit organizations by loaning from massive inventories of high-quality tools to increase the impact of community service projects.

The 2012 officers are:

President: **Nick Costides**, Vice President, Information Services with **UPS**

Vice President: **Timothy Perra**, Director of Global Communications with **Stanley Black & Decker**

Treasurer: **Dan Webber**, Chief Information Officer of **Prime Holdings BV**

Secretary: **Regenia Sanders**, Management Consultant with **Accenture**

“I’m thrilled that we have a wealth of experience from which to build our leadership team,” said ToolBank USA CEO Mark Brodbeck. “Nick has been a valued advisor to me since we launched ToolBank USA and has shown unparalleled dedication to the development of our national network. He will be complimented by several of the brightest business leaders I’ve had the pleasure to work with.”

Outgoing board president Corky Martin of **The Home Depot** will remain on the board to serve as immediate past president. ToolBank USA also recognized retiring longtime director Adria Perez of **Kilpatrick, Townsend & Stockton LLP** for her six years of service on the boards of ToolBank USA and the Atlanta Community ToolBank. Perez will continue to serve ToolBank USA as a member of the Advisory Council.

“I’m honored to continue as a member of the executive leadership team at a time of exponential growth for ToolBank USA,” said Costides, a ToolBank USA director since its founding in 2008. “As we build out the affiliate network alongside local leaders throughout the country, it will be imperative that we maintain a blueprint for sustaining the quality of the brand and level of service to our affiliate ToolBanks and their volunteers. I’m thankful to Adria and Corky for the foundation they’ve put in place over the last few years.”

ToolBanks in Atlanta and Charlotte now loan tools to local nonprofits, schools and churches, and ToolBanks in Baltimore and Cincinnati will begin lending this Spring.

#### About ToolBank USA

ToolBank USA is championing a national movement to provide an abundance of high-quality tools to nonprofits and their volunteers through the replication of the ToolBank program. ToolBank USA provides the business model, training, infrastructure and systems support to ToolBanks in local communities, allowing each ToolBank to focus on core functions of customer service, accuracy, and professionalism. In collaboration with local leadership, ToolBank USA is bringing *Tools For Change*® to communities across the United States. Visit [toolbank.org](http://toolbank.org) for more information.
