2013 Annual Report

From The President

Thank you for being a supporter of the ToolBank. Whether you're a volunteer, donor, member or fan, ToolBank Nation is fueled by your passion for ending tool scarcity for America's charities and their volunteers. The following report shares some of our accomplishments during 2013. I'd like to thank our President during 2012 and 2013, Nick Costides of UPS for his steady leadership. These successes, and those to come, are the fruit of leaders like Nick and supporters like you.

Dan Webber, President 2014

From the Chief Executive Officer

'Personality can open doors, but only character can keep them open'. I am regularly reminded of this adage as we open doors to new ToolBanks from coast to coast. The simplicity of the ToolBank mission is the personality that attracts; the impact of the ToolBank mission is the character that sustains. ToolBank USA doubled the number of individuals serving on ToolBank boards in 2013, which means that the national ToolBank voice got a whole lot louder last year. Their united voices represent a swelling wave of civic pride, a genuine 'love of place'. These volunteers worked together in 2013 not only to bring *Tools For Change* to their community, but to teach civic pride to others. The ToolBank USA team and I are humbled by the opportunity to work with them, and are immensely proud of our shared accomplishments.
